Docket No.: 2:05MJ00032
Petition for Revocation

The defendant has violated the following condition of his supervise Release:

The defendant shall continue in MADC for alcohol treatment while at the halfway house.

November 7, 2005, prior to placement in the halfway house, Mr. Laird was required by the Court to complete a six month term in the Halfway House and to participate in drug treatment at the Memphis Alcohol and Drug Council (MADC).

Anthony Laird failed to attend drug and alcohol treatment sessions on November 9, November 16 and November 23, 2005. Mr. Laird was discharged from Memphis Alcohol and Drug Council on November 23, 2005 for non-compliance. Due to the immediate non-compliance, the referral for halfway house placement was not made pending the court's response to failure to participate in drug treatment.
